

# UPPER BLACKSTONE WATER POLLUTION ABATEMENT DISTRICT

## **LABORATORY/PRETREATMENT MANAGER**

The Upper Blackstone Water Pollution Abatement District is a MA Grade 7 Wastewater Treatment Plant in Millbury, currently accepting resumes for a Laboratory/Pretreatment Manager. We are one of New England's largest clean water treatment plants serving roughly 250,000 people in the greater Worcester area and managing biosolids for an additional 14 communities.

Candidate will be responsible for the planning, organizing, directing, and controlling the District's laboratory services, pre-treatment, and regulatory compliance program.

Bachelor's Degree from an accredited college or University with a major in the field in chemistry or environmental science is preferred. Candidate must have prior work experience in a laboratory environment.

District employees are part of the MA State Retirement System. Salary will be based on skill level and experience. Send resume to Liz. Mailhot, Administrative Assistant & HR Coordinator, Upper Blackstone WPAD, 50 Route 20, Millbury, MA 01527, emailhot@ubwpad.org.
