

# UPPER BLACKSTONE WATER POLLUTION ABATEMENT DISTRICT

## Laborer

The Upper Blackstone Water Pollution Abatement District is a MA Grade 7 Wastewater Treatment Plant in Millbury currently accepting applications for a Laborer.

Duties will involve performing general maintenance tasks including but not limited to buildings (prepare and/or clean surfaces, refinish and paint as necessary; clean building areas, floors, hallways, and restrooms; wash, wax, and polish floors; wash windows, walls, and woodwork), roads (snow and ice removal from walkways, driveways, parking areas, buildings and equipment as needed either manually or with powered apparatus), grounds (cut grass, weeds, and brush; trim bushes and trees; rake grass, leaves, and trash; seed and care for lawn and ornamental plantings), and collect and dispose of trash. Must possess a valid MA driver's license; a CDL license is preferred. This is a full-time position.

District employees are part of the MA State Retirement System.
