

TOTAL TOXIC ORGANIC CERTIFICATION  
*(In lieu of monitoring for Total Toxic Organic)*

---

For Electroplaters and Metal Finishers Only

Based on my inquiry of the person or persons directly responsible for managing compliance with the pretreatment standard for total toxic organics (TTO), I certify that, to the best of my knowledge and belief, no dumping of concentrated toxic organics into the wastewaters has occurred since filing the last discharge monitoring report. I further certify that this facility is implementing the total organic management plan (TOMP) submitted to the District.
