

UPPER BLACKSTONE WATER POLLUTION ABATEMENT DISTRICT

BUILDINGS ROADS & GROUNDS FOREMAN

The Upper Blackstone Water Pollution Abatement District is a MA Grade 7 Wastewater Treatment Plant in Millbury, MA currently accepting resumes for a buildings roads & grounds foreman.

The buildings roads & grounds foreman performs, coordinates, schedules, and oversees the work activities of this division of the maintenance department facilities including a campus of buildings, treatment tankage, and ash landfill. Candidate shall be skilled and committed to the inspection, maintenance, repair, and rebuilding of the buildings and grounds associated with a modern wastewater treatment facility. Performs repair work of a difficult and skilled nature as well as exercising technical supervision over subordinate maintenance staff. Foreman provides detailed records of daily work activities, accident reporting, tool and equipment inventories; and predictive, preventative, and corrective maintenance to the Facilities Maintenance Manager.

Foreman must have considerable knowledge of the materials, techniques, and tools used in the maintenance and repair of mechanical equipment used at landfills and in facilities and grounds maintenance at wastewater treatment facilities. Knowledge of basic computer skills, email, internet searches, and Microsoft Office Suite required. Ten years of combined experience in general mechanical, construction or electrical maintenance work. Must be skilled in reading and interpreting engineering drawings and maintenance materials. Must possess the following licenses: MA Hoisting Engineer HE-2B minimum for operation of front end loader, backhoe, and forklift & commercial driver's license, minimum Class B with Air Brake Endorsement. Must pursue work with energy and drive with an emphasis on safety.
